Agriculture Plays Big Part in Growth

Agriculture plays an important role in American life. Today 4.3 million people apply their labor and skills to produce nearly 200 different types of crops and manage efficient livestock operations on the 1.3 billion acres set aside for agriculture today. One farmer feeds 53 Americans.

Many Centralia High School students come from farm homes. Some of these students are involved in the Future Farmers of America Chapter at CHS. They are working together to make it possible to meet the demands of feeding the American consumer and sending the surplus to foreign countries.

Farming is the only major industry in the United States in which the family makes up the largest share of the labor force.

When the Colonists landed in the New World, the Indians taught them how to plant and cultivate their crops. Without this help many would have probably starved. The methods used by the Colonists were primitive. But soon the Colonists began to invent new equipment for cultivating and planting their crops.

Later the steel plow served the American farmer well. Some farmers put the reins around their neck as they guided their horses through the fields.

In 1834, a threshing machine was patented. It ran by horsepower. This made threshing much easier for the farmers. Mechanical corn binders were also invented. They gathered the corn into bundles which were then shocked. This cut down on labor required for harvesting the corn.

By 1890, all of the machinery that would require horsepower had been invented, from then on, entrepreneurs concentrated their efforts on mechanically powered machines.

Oil Big Centralia Business

The development of the Junction City mine led to the Cenfirst oil boom. Oil seeping into the mine became ignited and a company was organized to explore the oil possibilities throughout the region. Eleven wells were then sunk, some producing. The first real test came when oil bearing sand was encountered at a depth of 2,800 feet near Sandoval. Soon oil was found on a nearby farm. All in 35 producing wells were drilled in this area, half of which are still producing a few barrels a day now.

In 1920 came another period of oil development when 120 wells were sunk in or near Wamac, and in the city limits of Centralia. These wells were sunk in shallower sands. By 1922 Marion County led the state in monthly production with 3,577 barrels.

In 1938, the biggest oil boom hit the Centralia area after a half million dollar development cost. Many wells that are around today are remnants from this time.

Hey kids, shake it loose together,
The spotlight's hitting something
That's been known to change the weather
We'll kick the fatted calf tonight
So we'll stick around
You're gonna hear electric music,
Solid walls of sound.

Say Candy and Ronnie, Have you seen the yet
But they are so spaced out, Bennie and the Jets
But they're weird and they're wonderful,
Oh, Bennie she's really keen
She's got electric boots, a mohair suit,
You know I read it in a magazine,
Oh! Bennie and the Jets.

Hey kids, plug into the faithless,
Maybe they're Blinded
But Bennie makes them ageless,
We shall survive, let us take ourselves along
Where we fight our parents in the streets
To find who's right and who's wrong.

Railroads Started

The railroad was one of the most major deciding factors that brought about Centralia developing into a town of any consequence at all. Really starting to develop around 1918, the Illinois Central decided to build its major shops in what is now Wamac. This in turn made it a very permanent part of the community.

In 1924, starting pay was 24¢ an hour with seven 10 hour working days a week. In that same year, up to 101 trains would pass thru town in a single day.

Throughout the twenties, over 1,600 people were employed by the railroad.

Business

Centralia has been the home of many starting industries and businesses. Many of these are still in Centralia today while others have built big — and/or moved out.

Among big businesses that originated in Centralia were Hollywood Candy Co., the Lear-Zeigler Corporation, KAS potato chip. Zeigler, which shut down its Centralia plant in '74, now operates in Michigan. KAS, at first a basement project, sold out to Fairmont.

The Langenfeld Motor Co. was at one time one of the largest distributors in the state. Hutter's clothing and Herrons jewelry are among the oldest businesses that were once known statewide.

The Boggs Funeral Home was the third firm in Illinois and among the first five in the nation to adopt the funeral home idea.

Coal Terror — National Disaster of the Biggest Nature

"It was just another day for most people but for 111 Centralia area miners it was their last day. It was 32 degrees at the Number 5 mine in Wamac. The mine tragedy stunned the nation. After the explosion, milky white smoke engulfed the Centralia community. Searchers wore gas masks while they searched for the miners in three and one half miles of dark tunnels below the surface of the city.

It was like a cyclone that came down, tearing up railroad ties, snapping telephone and light wires and throwing braces like toothpicks, was the way one individual described the mine explosion."

The picture at right is not the Wamac mine site. It is the old Glenridge mine site now located in Junction City.

Homecoming and the Musical were once again successes. Micki Burge was crowned Queen at the ceremonies at Evers Field, while Oletta Klein's Musical hosted two different actresses playing the lead part — at different nights of course.

'Sugar' was this year's selection, and was a great success. Capturing lead parts were Sara Henderson, Kim Garrison, Bill Roller, Jim Chagerben, Ron Lyons, Curt Zeigler, and Chris Lawson.

The basic theme was that two out of work musicians (Jim and Bill), witness the St. Valentine's Day Massacre and have to run from the mafia. To do so, they join an all girl band — dressed as women. One of the lead males then falls in love with the lead female.

At the CHS Homecoming event, Micki Burge was crowned the 1975 Queen. Senior attendant was Gayle Vickers, junior attendant Patty Connors, sophomore attendant Faith Brown, and freshman attendant was Pam Lingle.

Orphan Big Red Post 5-4 Debut

The Varsity Big Red, under Coach Don Smith, compiled a 5-4 record for the 1975 season. To do this, the gridironers had to win their last three games.

CHS got off to a slow start by losing three straight, but battled back to take four out of the five remaining games. Gary Gaetti and Larry Woodard were named to the All-Southern Illinois team, both having outstanding seasons. Another standout was Thaddeus Brown, a sturdy junior. Although Gietti and Woodard will graduate, Brown will be back.

This year the Orphans will lose several outstanding seniors, but Smith seems to have some depth with his junior class.

A highlight in the season was the Homecoming game against West Frankfort. CHS trailed the whole game and came back to win late in the last quarter.

Super Sophs Build 5-3 Record for 1975

c.

The Sophomore football team got off to a bad start by losing their first two games to Carbondale and Mascoutah.

To come back, the Soph's third and fourth games were landslide wins with Herrin and Harrisburg furnishing the opposition.

The team's third and last loss came at their fifth game with the Benton Rangers beating them.

To end the 5-3 season, the Soph's played Marion, Mt. Vernon, and West Frankfort and defeated each team.

Exciting moments came from Quarterback Robert Sanders and Runningback Devon Hudson and Vernell Burris. Devon Hudson led the Soph Orphans in touchdowns with 9, while Vernell Burris had a fine 6.

Frosh. Finish 5-2

The freshman football team, to prove they could get the job done, had a fine season with a record of 5-2.

Coached by Larry James and Jeff Carling, the team had a joyous win over Benton for their first game with a score of 20-14.

To add to their joy, they played a fine second game smearing Mater Dei with a 28-6 score.

The team's third game was a little more challenging, but still beat Mascoutah with 24-15 win under their belt.

With Salem as their opponent, if you could call them an opponent, the frosh team smeared the Wildcats with a 20-0 win, making this their 4th consecutive win.

Facing the undefeated Carbondale team, the Freshmen had their first loss with a score of 8-32.

Coming up for air, the frosh team came back in their next game to run over the Mt. Vernon Rams with a win of 42-7.

With Herrin as their last opponent, the frosh team had their second loss for the 1975-76 season. Rick Carpenter, making a touchdown at the last game, led the offensive with a record of 9 touchdowns.

All but three varsity men will return for next year's team.

Graduating will be top seven runners Steve Greene, Mike Schaller and injured Paul Carpenter.

Schaller and Carpenter both had leg problems during the season. Carpenter missed the last half of the season.

Young Golf Team Finishes Strong in 1975

The CHS golf team ended the season with a 14-4 record.

On August 28, the team defeated Flora 143-167 and set a new school record. Then on September 20, the team went to Granite City North and placed a strong third in their tournament. One week later the Orphans took first place in their own tournament — the Orphan Invitational Tournament.

Jerry Wilson's crew took third place in the South-7 Conference tournament.

CHS finished sixth in the District. At the District, Stew Kirkland finished fifth and advanced to the Sectional tournament. In the Sectional tournament Stew finished eighth.

Girl Netters Post 9-11 Season for 1975

The girls' tennis team put out another good effort for the 1975 season. Although the defending champs lost the District crown, they finished with an outstanding 9-1 record.

The team was young, containing only 1 graduating senior. Next year it should be stronger than ever. It was probably this youngness that hurt the little Orphans in District, as players that were steady winners during the year lost in key situations.

Judy Unverfehrt, a junior, was voted outstanding player on the team. Other standouts were Janet Heinricksmeyer, Cathy Brown, Kim Hudson, Jane Sumner, Anne Boston and Lisa Kuhn.

Neva Corn headed the team this year, doing an outstanding job.

Grapplers Show Guts; Retain Conference Title

b.

This year's grapplers showed a tremendous amount of' guts' as they went into most matches without a complete team. In the matches they did manage to scrape a full team together, the wrestlers set a record by shutting-out three different teams.

This year included eight starting seniors. Among these were captains Dave Agee, Kemp Jackson and Paul Carpenter. Agee and Carpenter won District Championships, as all three won Conference titles.

Keith Topper, Mike Szatkowski and Scott Barger comprised the upper senior part of the team. All three had outstanding seasons with Topper and Szatkowski winning both District and conference.

The two middle seniors were Kevin Ladwig and Randy Brink. Both placed in conference.

Centralia upset Carbondale for the Varsity Conference title and the Frosh-Soph squad upset Benton for their conference title. Centralia is the only team in the conference that has ever won the South-7 team title at either level.

Highlights of the year came when the grapplers won South-7, Mattoon, and forfeited two weight classes and almost defeated Belleville East (28-34).

Frosh-Soph Win South Seven Title

The young CHS wrestlers took the South-7 crown and surprised the entire South. Centralia, the week before, had placed behind 4 South-7 teams at a tourney in Murphysboro.

The night before conference, Dick Carpenter took his team down to the trophy case and pointed to trophies from past years and said, "See those! I want one just like it. Only it will say 1976." The next day the little Orphans won.

Coach Graham Updike and Dwight Simmons did a fine job with the "little Orphans" this year.

Varsity Ends 18-10 Season

The 1975-76 Centralia varsity basketball team ended the season with an impressive 18-10 record, surprising many Orphan fans throughout the season. After a shaky start, most fans turned against the team and coach. Fans were saying, "Get a new coach." But after a win over Herrin on Jan. 30, the fans began to realize that the team could compete against any team.

"The highlight of the season was winning the Regional tournament," declared Coach Jeff Carling. "And coming within one point of being in the Sweet Sixteen," he continued.

Lance Gardner once again led the Orphans and completed his career with over 1,000 points. Gardner was selected to the All-Conference team and the All-Southern Illinois team for the second straight year.

Winning awards at the basketball banquet were Matt Duensing, Best free throw percentage; Chuck Downey, Best defensive player; John Goodale, Golden Orphan; and Lance Gardner, Chuck Garrett Memorial Award and Most Valuable player.

The "Annies" opened the season with a home game win over Pinckneyville on February 3. The final score of that game was 58 for the Orphan "Annies" and 24 for Pinckneyville.

A win over Kinmundy-Alma on March 23 closed the season for the Orphan "Annies." The ending score of that game was the "Annies," 38 and Kinmundy-Alma, 32.

At the end of their season, the Orphan "Annies" owned a 10 win-2 loss record. The team lost once to Okawville, with a score of 38 for the "Annies" and 46 for Okawville, and another time to Benton. Baseballers Finish Fine Season, Post 17-9-1 Record

Senior Brian McManis

Senior Jud Allen

The 1975-76 baseball team finished the season with a 17-9-1 record. The 17 victories posted are fifth on the all-time list.

Senior Gary Gietti had a fine year as he scored the most runs with 25, had six doubles, 30 runs batted in, and seven home runs.

Paul Rothschild, another senior, led the pitchers with a 1.62 ERA while junior Brad Stonecipher had a 5-2 record for the most runs.

Rothschild pitched the most innings 60.2, tied with Harting with 31 strikeouts and led the club with 19 walks.

The Orphans won the first game in the District as they defeated Woodlawn 5-1. In the second game of the District, CHS lost a heartbreaker to Salem 9-8.

Netters in Rebuilding Season

It proved to be a year of rebuilding as the boys' tennis team finished this year's season with a 5-13 record.

Coach Doug Lippman's team, which was one of the younger CHS tennis teams to ever compete in regular competition, faired comparatively well against the "power" teams of Belleville East, Vandalia, and Murphysboro.

Seniors Doug Lambert and David Gowler put in fine years and excellent efforts as did the rest of the team.

Next year may prove to be a much more rewarding year as most of this year's team will return with a year of experience under their belt.

Freshmen-Sophomore Cheerleaders Do Too!

The 1976 Centralia High School cheerleaders cheered their way through wins and losses this season. Although boosting their team was their main job, they were hostesses during the Holiday tournament games. Practice was a big part of their career as they worked many long hours preparing stunts to awe the crowds with. The basketball cheerleaders saw their team play right up into the Sectional finals while the Grapplerettes saw their team make it to the Sectional. The season was a fine one and memorable for many years to come.

Fans from other schools have frequently complemented the CHS cheerleading squads for their thrilling stunts and sportsmanship conduct. The cheerleaders play a vital role in the athletic program at Centralia High School.

Touring through medieval towns, walking in open markets, and visiting former Olympic sites! These were just a few of the sites that some CHS students viewed on their trip to Germany.

Nine students visited Dachaw, a German concentration camp, while the other students saw a famous German museum in Munich.

The 14 students were accompanied by Mabel Hake and Mr. and Mrs. Don Obermeier, German teachers at CHS.

Seven Centralia High School girls, accompanied by Mr. and Mrs. Coleman Mattingly and Cheri Evans, went to Italy over Easter vacation.

The trip took them to Rome, Naples, Pompeii, Sorrento on the Mediterranean Sea, and Florence.

In Florence, the center of the Renaissance part of Italy, the group saw many great works of art including Michelangelo's "David."

Pompeii, a city covered by volcanic ash in 79 A.D. was one of the few places of ancient Rome which is exactly as it was 1900 years ago.

In Rome the group saw all the ruins and temples of ancient Rome, such as the Colesseum and the Forum, and the great Christian monuments, such as the Vatican, the Sistine Chapel, and the Catacombs. The students learned much about the modern culture of Italy.

The Lisle Fellowship tour group really gave the 10 students who went to France a run for their money.

As soon as they arrived at Charles de Gaulle Airport, they were sent on a bus to the Loire Valley.

One afternoon, they visited the Eiffel Tower and climbed to the top to see the view. The Arc de Triumphe was another historical sight they visited.

At the Louvre Museum the students saw only a small part, making sure that the Mona Lisa was first on their list. The Venus de Milo is also located in the Louvre.

To end the exciting week, the group left their hotel and went to the airport only to find that their plane had been delayed an hour.

The seven-hour trip on the plane had a stopover in Montreal, then an hour's flight to Chicago.

Then, after all that, they had a long drive home in a crowded van.

SATURDAY NIGHT'S ALRIGHT FOR FIGHTING

"It's gettin' late have yer seen my mates,
Ma tell me when the boys get here,
It's seven-o-clock and I want to rock
Wanna get a belly full of beer,
My old man's drunker than
a barrel of monkeys
And my old lady she don't care,
My sister looks cute

Graduation Picnic Cold and Rainy — but Successful

The seniors held their annual picnic on Thursday evening, May 27, at Fairview Park. Approximately 125 class members, teachers, administrators and school board members attended and participated in the festivities. Activities for the evening included swimming, tennis, volleyball, music and a delicious chicken dinner. In spite of the cool wet weather, everyone had an enjoyable time.

Graduates Finish Up at CHS

The highlight of the year for the seniors was commencement. Due to the wet weather, the 329 members of the Class of '76 received their diplomas in Trout Gym. Thoughts of inspiration were delivered by Marty Somers, Senior Class president, and Father Voss, keynote speaker. Presentation of diplomas was made by Mr. Dean Bain, president of the Centralia High School Board of Education.

Yearbook 76 — A Success?

Is or has this yearbook been a success? That can only be judged by the individual student. No doubt this annual has mistakes in it. Limiting all error is impossible with the small staff that makes up our yearbook. But I don't care to talk about the lack of student interest in the publication of the Sphinx — that is too morose a topic. At times I think the CHS annual should be discontinued because of this. I do care though to praise the few people that did work this year, and in the past.

You, the student, must really decide how this yearbook fits CHS.

One more thing — I encourage all underclassmen to participate in next year's publication. Anyone can. Anyone may. Will more?

We of the Sphinx staff would like to thank the many patrons that have helped to support our yearbook. Their advertisements do not receive a great deal of publicity, and in many cases are mere donations. Again we say thanks to our patrons and encourage our students to recognize and support them.

The Post-Word '76

I, as editor of the '76 yearbook, have been told that I am to write a post-word to end. I do not believe it necessary, and believe it difficult to do right. But in any case, an attempt shall be made.

In comparison to most schools in the area, Centralia High rates above the majority. It is one of the more liberal schools and is run by an outstanding faculty. There are no major problems which confront the school and/or the students. Thus the Seniors of '76 have completed their formal education in a school completely qualified in most every way.

No institution can directly teach values. That is probably the most important thing to be learned in high school. Most of us graduates hopefully HAVE learned by now that it is easier to get the good grade than to actually learn the subject well. Most values you carry out of high school will stick with you, although they should develop and broaden. Good Luck to Seniors '76.

Before I end this last word, I would like to thank several people for their contributions. Heading the list is Larry Gwaltney. He has done wonders as far as the yearbook and newspaper go plus spending hours of his own time on them. Special thanks also go to Oletta Klein, Rex Brown, and Jack Shelton. To the former for helping to clear "red tape," thus opening a darkroom for use. The latter deserves thanks for the little bits of help throughout the year that really added up. To Rex and my other staff members — Diane, Susan, Phil, and of course Cathy — thanks. Your contributions were greatly appreciated. Most of all thanks to Mom and Dad for your leniency. You two are cool.

Now that the criteria is covered, the post-word and the Sphinx Yearbook for 1976 is now complete.

Yo Mona,

As the book says, all I hope is for fun this year and if I know we both will have a lot of fun this year and if I know we will be in 2nd, 3rd, and 6th hour together, we will. See
